HOW TO PLAY?

OPTION #1

Hand out cards to everyone
in your group.

Let each person read their card
aloud and answer the question.

Others are allowed to follow up
by asking, "Why?"

HOW TO PLAY?

OPTION #2

Stack the cards in a pile in the
center of the group and let each
person draw a card on his or her
turn. That player will secretly
answer the question in his or her
head. Then, the group tries to
figure out what option
that player chose.

HOW TO PLAY?

OPTION #3

Read the questions as a group and
answer them together.

Make sure to talk about why you
would make the choice.

It is always fun to hear the
reasoning behind the decisions.
